from the President of the Municipal Co
mission, Bangalore City, re the aboli
of the Kalaspalya, Taluk Cutcherry an
Chamarajpet Dispensaries in the City

Note

In letter no G. 186 dated
25th november 1902 the Senior Sur
recommended the abolition of the
Kalaspalya, Taluk Cutcherry and
Chamarajpet dispensaries in
Bangalore City.

2. In accordance with the
recommendation provisions for
said 3 dispensaries were disallow
in the current year's City Munic
pal Budget, and the cost abov
incurred on their account wa

order

to be met by effecting retrenchments in other sanctioned items. (Please see

Flag B × para 20 of G.O. No. × 1310-11 / 7-11-02 & 26.2.'03)

3. With reference to that order the President now submits a copy of the Senior Surgeon's letter stating that it is desirable that the said dispensaries may be closed at the close of the official year, and states that he concurs with the Senior Surgeon, that after the 10th July next the Hospital Assistants who will be relieved of the dispensary charge will have to be kept on as Registrars of Births and deaths and that the Midwives will also be retained, so that the only saving would be the charges of the menial establishment which the Senior Surgeon will be requested to provide for in the Medical department as the Municipality cannot find employment for them. He further adds that the house rents now being paid in the case of

× Letter No. 216 & 16.4.'03. Flag C

dispensaries

Dispensaries will have to be continued till other places are found for the offices of the Registrars of Births and Deaths of the respective divisions.

4. It is submitted that provision has been made in the Budget for 1902-03 for 4 dispensaries including the one proposed to be opened in No II Division, but which has not yet been opened. Therefore the only saving out of the provision for "dispensaries", so far as this office is aware of, is only Rs 668/-. It is not therefore clear from what funds the President proposes to meet the charge in case the 3 dispensaries ordered to be abolished should be continued till the end of the year. The closing balance as per current year's budget is only Rs 255, as calculated according to the Comptroller's final accounts for 1901-02 there will be a debit balance of Rs 413 at the end of the year, as detailed hereunder

(1) Actual balance on 1st July 02 = £3,100

(2) Estimated receipts for 1902-03 = 204,700

Total = 227,800

(3) Estimated expenditure = 228,221

(4) Closing balance = -413

5 Draft docket is therefore submitted enquiring how the President proposes to meet the additional cost seeing that there will probably be a debit balance at the close of the year and whether the Board are agreeable to the proposal.

76 D (draft approved by the Assistant Secretary was issued on the 7th May '03)

6 In reply to the above enquiry, the President † states that from the account for March last based on the latest audited figures received from the Comptroller it is seen that nearly Rs 6,00,000/- stood at the credit of the Municipality on the 1st April last, that with the probable receipts during the next two months it

† Letter No 241 of 12.5.'03

is fairly expected that the year would not close with a debit balance but that there will be a good surplus left notwithstanding additional expenditure of Rs 3,614/- under dispensaries and other items proposed by him in the Supplemental Budget. In these circumstances, the President requests sanction to the retention of the 3 dispensaries till the close of the current official year and to other charges proposed in the Supplemental Budget.

7. It is submitted that the Supplemental Budget for the current year has been disposed of by Govt disallowing all proposals for supplemental grants, and retaining only the original provision for dispensaries.

(+ This is for issue & is therefore not valid here with)

8. ~~Extract from the~~. The financial Condition of the Board according to the said Supplemental Budget is as follows:—

(1) Opening balance	=	23100
(2) Receipts	=	204700
		2,27,800
(3) Expenditure	=	2,27,621
(4) Closing balance	=	+ 187

Submitted

8. Subordinates as to whether the President may be informed that unless a reappropriation Statement providing funds to meet the cost of the 3 Dispensaries referred to till the End of the Current Financial Year is submitted, the recommendations cannot be sanctioned.

SIR,

With reference to your docket (S.no.11) No 15826 dated the 7th instant enquiring how the additional cost that will have to be incurred by continuing the three dispensaries, which have been ordered to be closed, till the 30th June next, is proposed to be met, I have the honor to invite Kind reference to this office letter no: 221 dated the 18th ultimo submitting

14

Supplemental Budget for such of the Charges including those of the dispensaries in question the provision for which was omitted in Government Proceedings No 13109-14 / L-4 11-02 dated the 26th February 1903 but proposed to be again provided for till the end of the current official year. The aggregate extra expenditure thus recommended for the current year including that of the dispensaries amounts to Rs 3,614/- which is noted in the supplemental budget as resulting in a debit balance

of

of Rs 3,359/- at the close of the year.

But from the accounts for March

last based on the latest audited

figures received from the Comptroller

it is seen that nearly Rs 40,000/-

stood at the credit of the Municipality

on the 1st April last. With the probab

receipts during the next two months,

it is fairly expected that the year

would not close with a debit balance

to the Municipality but there will

be a good surplus left, notwithstandin

the extra expenditure of Rs 3,614/- above

referred to. I therefore beg that the retention of the three dispensaries in question may be ordered to be continued till the close of the current year as also other Changes contained in the Supplemental Budget now pending before Government.

I have the honor to be

Sir,

Your most obedient Servant,

H H Sparke

President.
